

Programme

11:30	Reception of participants
11:55-12:25	Keynote Speaker: Daniel Brissaud, “What Tracks for Sustainable Production Systems in Europe?”
12:25-12:55	Keynote Speaker: Engelbert Westkämper, “Perspectives of Manufacturing for Re-industrialization and Adding Value in Europe”
12:55-13:15	Open Session PRODUTECH
13:15-14:30	Lunch
14:30-15:00	José Carlos Caldeira, “PRODUTECH – Production Technologies Cluster: promoting Sustainable Manufacturing through collaboration”
15:00-15:30	ISQ / CEI, “Intelligent Manufacturing: embedding new functionalities in production systems”
15:30-16:00	INESC Porto / ADIRA, “Manufacturing for Customization: From mass production to mass customization”
16:00-16:15	Coffee break
16:15-16:45	UNINOVA / KYAIA, “Distributed Manufacturing: Value chain management and RFID”
16:45-17:15	INEGI / SILAMPOS, “Sustainable Manufacturing: Energy efficiency and renewal energies utilization in manufacturing systems”
17:15-17:45	IDMEC / AZEVEDOS INDÚSTRIAS, “Flexible and Efficient Manufacturing: Methodologies and tools for fast setup and performance monitoring”
17:45	Close PRODUTECH Workshop

Participation is free of charge but subject to registration, until 27th May. Please send attached registration form to: geral@produtech.org
